MOHA INDIA

Vol.3.

HIKAYAT

A tale of gemstones

"Hikayat" is a term that originates from Arabic and means "story" or "tales." In the context of a tradition menswear collection, Hikayat would likely draw inspiration from cultural, historical, or folkloric themes, blending storytelling with fashion. The collection could be a tribute to the richness of traditional craftsmanship and the timeless art of garment-making.

MEN'S WEAR EDITION 2025

EMERALD GREEN

The kurta is tailored for a royal and structured look, with a straight cut or slight A-line fit, making it perfect for festive occasions, weddings, or grand celebrations.

The EMERALD GREEN shading kurta is a masterpiece of elegance and sophistication, inspired by the rich hues and depth of precious gemstones. The fabric features a subtle ombré effect, transitioning from deep forest green at the hem to a luminous emerald tone near the shoulders, mimicking the natural gradients found in polished emeralds.

AQUAMARINE

This exquisite kurta, inspired by the serene and calming tones of the [AQUAMARINE](#) gemstone, radiates elegance and charm. The soft, pastel hue of aquamarine, with its gentle blend of blue and green, adds a refreshing, ethereal quality to the design. Ideal for weddings, upscale gatherings, or formal events, it brings a modern twist to traditional ethnic wear.

TIMELESS
ELEGANT
BOLD

ROSE QUARTZ

The rose quartz shading kurta is a vision of soft elegance, inspired by the delicate beauty of the rose quartz gemstone. The fabric showcases a graceful ombre effect, transitioning from a deep blush pink at the hem to a soft, pastel rose hue near the shoulders, capturing the translucent glow of a finely polished crystal.

AMBER ORANGE

The **AMBER** shading kurta is a radiant expression of warmth and luxury, inspired by the glowing depths of the amber gemstone. The fabric features a stunning ombre effect, transitioning from a rich golden honey hue at the hem to a translucent, sun-kissed amber tone near the shoulders, mirroring the natural variations and warmth of fossilized resin.

ANTIQUE RUBY

The ANTIQUE RUBY shading kurta is a regal embodiment of vintage opulence, inspired by the deep, timeworn allure of antique rubies. The fabric showcases a mesmerizing ombre effect, transitioning from a dark, wine-red hue at the hem to a rich, aged ruby tone near the shoulders, echoing the velvety depth and mystique of heirloom gemstones.

RHODONITE PURPLE

The rhodonite purple shading kurta is a mesmerizing blend of regal depth and artistic elegance, inspired by the rare purple hues and natural veining of the rhodonite gemstone.

The fabric showcases a sophisticated ombré effect, transitioning from a deep amethyst purple at the hem to a muted lilac with hints of mauve near the shoulders, echoing the rich tonal variations found in polished rhodonite.

PINK SAPPHIRE

The pink sapphire shading kurta is a breathtaking fusion of vibrancy and luxury, inspired by the radiant brilliance of pink sapphire gemstones. The fabric showcases a captivating ombré effect, transitioning from a deep fuchsia at the hem to a soft, rosy blush near the shoulders, mirroring the natural luminosity and depth of a finely cut pink sapphire.
